BEST – Boosting Entrepreneurial Skills as Tool of integration of migrants to labour market

The project BEST is a project funded by the Asylum, Migration and Integration Fund from the European Commission, DG for Migration and Home Affairs, for the integration of the Third-Country Nationals, under the priority “Promote swift integration of Third Country Nationals (TCNs) into the labour market through strengthened cooperation and mobilisation of employers and social and economic partners”.

The objectives are:

- Promote early and effective integration in the labour market of third-country nationals, by creating effective transnational partnerships with all actors concerned and in particular social and economic partners, employers, public and private employment services and national and local authorities to foster the development of tools, methods, capacity building and exchange of experience;
- Raise awareness about the conditions for early and effective labour market integration of third-country nationals, as well as of its economic and social benefits and mobilise employers and other key actors to become active on this topic.
