

Have you ever dreamed of being your own boss, earn money and still complete a social mission?

If yes, join our **SOCIAL BUSINESS MODELLING** course in Graz and make your dreams come true step by step! Start your professional career as (social) entrepreneur NOW and FREE of CHARGE.

5 exciting modules are waiting for you, in which you will learn what is important when starting your own company and you will acquire the entrepreneurial skills and competences required to set up a social business.

BEST stands for “Boosting Entrepreneurial Skills as a Tool for migrants”.

By providing a free course on social entrepreneurship, the Institute of International Management of FH JOANNEUM Graz is working together with other public and private institutions in Slovenia, Croatia and Italy in order to provide entrepreneurship education for third-country nationals & migrants to help them to integrate into the labor market.

SHORT FACTS about the COURSE

We will support you in bringing your business ideas to life. We are using the so-called blended learning approach, which means that we are combining classroom learning with e-learning.

- 5 modules on core competencies for social entrepreneurs
- 1 attendance day per module at FH JOANNEUM Graz (November 2019 - January 2020) with creative workshops
- E-learning exercises between attendance days
- Certificate of attendance
- Course language: English

apply now!
